Flat Pans Only

Additional Colors*

Standard colors are noted above. If other colors are desired, one of the standard colors noted above must be selected, and a cost to powdercoat the underside of the flat soffit pans will be incurred. **The top-side color of the flat soffit pans cannot be changed.**

To achieve the custom color on BOTH sides of the flat soffit pans, an upgrade to extruded (6"x3") pans is required for an additional charge.
